100% PINE. ALL NATURAL. SUPERIOR PERFORMANCE.

LARGE FLAKE

10 CU FT EXPANDED

Our large flake provides maximum cushioning and minimizes hock abrasion. The moisture content is precisely controlled to reduce hoof cracking and to provide optimum absorption with an all natural, fresh pine scent.

LARGE FLAKE - Shown actual size

MEDIUM BLEND

8 CU FT EXPANDED

A mixture of our large and small flake, our blend offers a great combination of performance and economy.

MEDIUM BLEND - Shown actual size

MICRO FLAKE

8 CU FT EXPANDED

Easy to pick, dime sized flake, triple screened for the ultimate in absorption, cushion and ease of use.

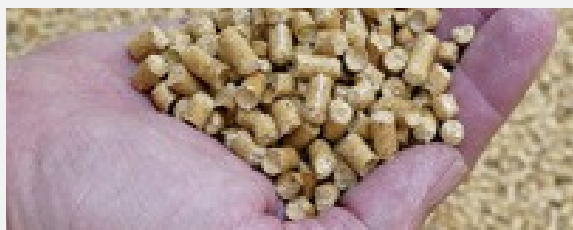

MICRO FLAKE - Shown actual size

PINE PELLETS

40 LB BAG

Our pellet bedding will help keep horses healthy and comfortable in a low-dust, low-moisture environment. Made from 100% pine, our premium pellet bedding is economical, easy to pick and equine-safe.
